SciFinder Scholar User Agreement

I agree to the following before I use SciFinder Scholar:

1) I am a current faculty or administrative staff member, or officially registered student of Singapore Polytechnic (hereinafter referred to as SP);

2) I will use SciFinder Scholar only for my own academic research done in the course of pursuing my qualifications at SP, or in instructing my students, or, in the course of my own research funded by the government or a non-profit foundation and intended for publication in the publicly available literature;

3) I will NOT use SciFinder Scholar for commercial research; for example, research that is done under a funding or consultant contract where the results are delivered to a for-profit organization, or for research that involves patentability searching. If I require SciFinder for commercial purposes, I will have the search done using a commercial account by contacting the librarian responsible for chemistry searches on campus, by contacting CAS and having them perform a search for me, or by acquiring and using the commercial SciFinder product;

4) I will use my search results in the ordinary course of academic research and acknowledge that I may store search results in electronic form, provided that at any one time, I store no more than 5,000 records. I may share search results in a limited, reasonable way with other SP students or faculty working on the same project, but I will not aggregate my electronic search results with those of anyone else.

5) I will delete ALL records and copies of SciFinder Scholar and associated products, in all formats and including all software, when I no longer need them for the relevant research project, or after the completion of my course at SP, or upon leaving employment of SP, or upon termination of SciFinder subscription at SP, or upon instruction from SP, whichever occurs first. If I need to use search results beyond what is described here, I will contact CAS or SP’s Key Contact to discuss and to obtain CAS permission. I ACKNOWLEDGE THAT I AM NOT PERMITTED TO DISTRIBUTE ANY CAS DATA OR SCIFINDER SCHOLAR, FOR COMMERCIAL GAIN OR OTHERWISE, OUTSIDE THE SINGAPORE POLYTECHNIC OR TO THIRD PARTIES.

6) I acknowledge that Singapore Polytechnic has entered into a license agreement with CAS to provide me with access to SciFinder Scholar, and that violation of the license by any user could result in a termination of the license for all users.

7) I will contact Singapore Polytechnic’s Key Contact with any questions related to the use of SciFinder Scholar.

8) I agree that I will be held responsible for any violation of this agreement arising from my action.
